BENGALURU (BANGALORE), INDIA

electronicIndia paves the way for the two leading trade fair brands in electronics.

India's electronics industry is booming in all aspects. Participate in this dynamic growth and exhibit at the 10th electronica India and productronica India in Bangalore, the hub to India's huge electronics and IT industry. Take advantage of these unique events and present your products and services to a first-rate audience of decision-makers. With 12,300 visitors and 4,500 exhibitor attendees in 2008 you can expect for 2009 at least similar – if not higher – participation levels in 2009. Come to India's and South Asia's number one shows for electronic components, assemblies, materials and production technologies and see for yourself!
