

Industrial Grade Embedded Computers

Ready-to-Run, Reliable, Wide Temperature

- Ready-to-Run Linux/Windows CE Platforms
- -40 to 75 C Wide Temperature
- Software-selectable RS-232/422/485 Serial Ports
- Multi-LANs for Network Redundancy
- PCMCIA, USB, SD, CompactFlash supported

Rackmount

(DA - 660 Series)

- 19 - Inch, 1U Design for Easy Installation
- Multi - LANs for Network Redundancy
- 8/16 RS - 232/422/485 Serial Ports
- PCMCIA, UAS, CompactFlash Supported

Rugged / DIN - Rail

(DA - 660 Series)

- 4 RS - 232/422/485 Serial Ports
- Patented Software Encryption Lock
- PCMCIA, USB, SD Supported
- Dual LANs for Network Redundancy
- 40 to 75 C Wide Temperature

Box Computers

(UC - 7420 / UC - 7410)

- 8 RS - 232 / 422 / 485 Serial Ports
- PCMCIA, USB, CompactFlash Supported
- Dual LANs for Network Redundancy
- LCM Display and Keypad for HMI

Embedded Modules

(EM - 1220 / EM - 1240)

- 2/4 RS - 232/422/485 Serial Ports
- Small Size Design for Easy Integration
- SD / GPIO Supported
- Full Function Development Kit
- 40 to 75 C Wide Temperature

Wireless

(W300 Series)

- 802.11 a/b/g WLAN
- GSM/GPRS 850/900/1800/1900 MHz
- 5 Anti-vibration/50G Anti-shock Design
- WLAN Repeater Function
- Supported SD, USB Supported
