STEREO HEADPHONE

INTEX HIP HOP HEADPHONE IS A 'HEP' ACCESSORY FOR MUSIC LOVERS AND NET GEEKS!

Intex Technologies (India) has added a hi-fi stereo headphone called Hip Hop to its computer peripherals portfolio. The gadget comes with mic function and volume control features—two of the most desired attributes for online chatting and Internet telephony. With a cord length of 1.8 metres, it renders convenience for music lovers who choose to stay away from the intricacies and cost involved in a cordless set-up.

A 50dB (± 2 dB) microphone and 20Hz-22kHz frequency response are some of the other features. The jazzy set, donning a red and black look, comes at an affordable price of Rs 225.

NEW Eee PC

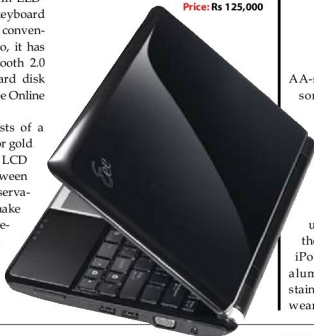

THE ASUS 1000HE IS POWERED BY AN INTEL ATOM PROCESSOR

ASUS has launched a new Eee PC. The 1000HE is equipped with the new Intel Atom N 280 and has a battery life of up to 9.5 hours. The 25.4cm LED-backlit Eee PC comes with a keyboard that's 92 per cent the size of a conventional desktop keyboard. Also, it has 802.11b/g/n WiFi and Bluetooth 2.0 connectivity and a 160GB hard disk with an additional 10 GB of Eee Online storage.

The Eee PC 1000HE boasts of a pearl white, black, pink, blue or gold infusion finish on its glossy LCD lid. It offers you a choice between performance and power conservation modes, allowing you to make adjustments to suit your prevailing usage and in doing so reduce power expenditure by up to 15 per cent—enabling up to 9.5 hours of continuous computing. The

multi-touch touchpad allows you to zoom in or out of pictures, or navigate up and down pages.
