## BLU-RAY HOME THEATRE SYSTEM

**ACCESS DIVERSE CONTENT FROM BLU-RAY DISKS TO YouTube INSTANT STREAMING ON LG HB954TB**

from Blu-ray disks to YouTube instant streaming. It can also connect to the latest components with highly customisable settings.

The 5.1-channel surround sound system incorporates LG's advanced surround sound engine, which is fully compatible with Dolby True HD, Dolby Digital Plus and DTS-HD Master Audio Essential. Further enhancing its sound capabilities are bass boost, MP3 upscaling, night mode, optimised modes for different TV programmes and a special equaliser setting for video games.

**L**G Electronics has launched a Blu-ray home theatre system—HB954TB—which brings your favourite Internet content directly into the living room.

**Features & USP.** This home theatre system provides clarity in audio and video and access to diverse content

## FULL-HD LCD MONITOR

**THE ViewSonic VX-2233wm COMES WITH ULTRA-HIGH CONTRAST RATIO**

Price: Rs 11,000

**V**iewSonic has launched a 56cm full-HD 1080p monitor—VX-2233wm—with stylish slim-bezel design and a glossy piano-black finish.

**Features & USP.** The monitor offers an ultra-high dynamic contrast ratio (18,000:1) that produces greater detail, especially in darker images, resulting in richer colours.

The high-brightness VX-2233wm comes with Clearmotiv 5ms video response time, which enables users to watch blur-free and superb HD-broadcast-quality video. The display also offers wide-screen aspect ratio with 1920×1080 super-HD native resolution that allows users to view HD content in its native format with no stretching or distortion.

## STYLISH PEN INPUT MOBILE

**THE NOKIA 6208 CLASSIC IS CAPABLE OF HANDWRITING RECOGNITION**

**N**okia India has introduced its first series of touch input device. The stylish Nokia 6208 Classic features a sophisticated pen input, along with an alphanumeric keypad and handwriting recognition features.

Price: Rs 13,259

**Features & USP.** With a 3.2-megapixel camera, dual LED flash and 8x digital zoom, Nokia Classic makes capturing and sharing moments easy. The large 6cm QVGA touch-screen, combined with an innovative stylus, makes messaging simpler. The stainless-steel back cover makes the handset both easy to use and comfortable to hold. The device features larger fonts for messaging and browsing web pages. It also supports optional microSD cards up to 8 GB, providing ample memory for images, videos and music.
