

EMTECH
igniting minds...

ALL **B.Tech, M.Tech** (ELECTRONICS/ELECTRICAL ENGINEERS) ARE INVITED TO JOIN

- ▶ **CFP (Career Foundation Program)**—
6 months full time job oriented training on
Embedded system design with live industrial projects.
- ▶ **WRAP (Winter Rapid Action Program)**—
Short term training for academic project fulfillment
- ▶ **STEP (Summer Training & Essence Program)**—
6 weeks Industrial summer training on Robotics,
Bio-medical, Telecom, Industrial automation domain.
- ▶ **PCB Designing & Circuit Simulation**
- ▶ **MATLAB, Simulink Programming.**

NEXT batch starts
from 2nd Jan, 2010

A Leading Provider of Microcontrollers & Analog Semiconductors

We are having good expertise in microchip products for developing embedded design solution. We are offering training to students, academic professors and working professionals.

PIC Microcontrollers

1. 8 BIT - Low/Mid/High range (12FXXX, 16FXXX, 18FXXX)
2. 16 BIT (PIC 24F/PIC24H/dsPIC30/dsPIC33)
3. 32 BIT (PIC 32)

Attention!

HR MANAGERS, PROJECT MANAGERS, TEAM LEAD AND TECHNICAL HEAD

We have large database of Skilled, Trained & Experienced Electronics Engineers for fulfilling your need of manpower requirement for:

- Microcontroller's Programming
- Hardware Designing
- PCB Designing
- Technical Marketing

EmTech Foundation

AN ISO 9001:2000 CERTIFIED COMPANY

Head Office: B-138, 2nd Floor, Ganesh Nagar, Near Janakpuri East Metro Station, New Delhi-18
