Since this information is subject to change, all those interested are advised to ascertain the details from the organisers before making any commitment.

communication strategies. Currently, the company has a market share of 15 per cent in the notebook segment. It recently launched its VAIO X ultraportable laptop in India. Touted as the world's slimmest and lightest ultraportable laptop, VAIO X weighs 655gms and is about 1.3 cm thin.

BOC bags deals from PV manufacturers

BOC India (BOCI), a member of the Linde Group, has bagged four new long-term gas supply deals with large

PV (photovoltaic) manufacturers – Moser Baer, Euro Multivision, Solar Semiconductor and Indo Solar (formerly Phoenix Solar).

These deals for BOCI come at a time when India readies to unveil its first solar power target, pledging to boost output from alternative energy sources from near zero to 20 GW (gigawatts) by 2020.

For Moser Baer's first PV production unit in Greater Noida, BOCI has created one of the largest supply schemes for industrial gases for elec-
