Believe me inspector... Our company is engaged in e-conversion... not in r-conversion, I mean religion conversion!

My mobile has four SIM cards... Now I can receive warnings from my wife, boss, my bankers who gave me loan and electricity department simultaneously!

I had started my profession as a drug and alcohol deaddictionist but turned into a mobile and Internet deaddictionist.

Something is wrong with our new computer-based identity checking system, Sir. ... Sometimes it identifies a person as Amitabh Bachchan! Sometimes as L.K. Advani! Sometimes as an ordinary insurance agent!!
