

Not Your Average Test Bench

Now it's easier than ever to debug those complex designs

Debug is hard enough. Don't let your test instruments get in the way. Our test bench offers the same ease-of-use you've come to expect from our oscilloscopes. From dedicated buttons for common functions to USB ports for saving data. To simplify your most complicated tasks, you can connect your test bench with the included copy of LabVIEW SignalExpress™ from National Instruments. Control your Tektronix instruments right from your PC. Automate measurements and analyze data across multiple instruments. Capture and save results. Create reports. Take your test bench from average to extraordinary.
