EFY SUMMIT 2009

'Unleashing New Opportunities: Indian Electronics Industry'

December 16, 2009 • Hotel Le Meridien • New Delhi

EFY SUMMIT 2009: A FIRST-OF-ITS-KIND EVENT THAT WILL BRING TOGETHER LEADERS FROM THE INDIAN ELECTRONICS INDUSTRY UNDER ONE ROOF

All industry reports state loud and clear that there's tremendous opportunity for growth in the Indian electronics industry. The **EFY Summit** will help decision-makers to **unleash new opportunities** and devise strategies to tap them.

The Agenda

- Which products or customer segments promise growth
- Which markets remain untapped
- What's new in terms of technology for you to harness
- What is it in the Indian eco-system that you can benefit from
- How to fund your expansion
- When to go for an IPO

Why You Should Attend

- Discover 'where' and 'how' to expand your business
- Discover 'untapped' markets and product segments
- Identify technologies that can change your industry
- Identify technology trends that can affect your markets
- Learn from the success stories of others
- Meet and network with top-shots of the electronics industry

Who Should Attend

- Heads of organisations (CEOs, Managing Directors, Partners, and others)
- Senior heads of business units (Vice Presidents, General Managers, Heads of R&D Units, and others)
- Senior sales and marketing professionals
- Policy makers for the ICT and electronics sectors
- Infrastructure solution providers for the ICT and electronics sectors
- Representatives of banking and finance companies
- Anyone with an interest in the fast growing electronics industry
