FLEXI DUAL MOBILE PHONE

SPICE D-6666 ALLOWS USERS TO SEND, RECEIVE, COMPOSE AND FORWARD EMAILS VIA SMS

Spice Mobiles has launched its new handset in India that enables users to pair two GSM connections or GSM and CDMA connections in a single phone.

Features & USP. Spice D-6666 comes with a big screen, 2MP camera with flash, 4GB expandable memory, stereo Bluetooth, FM recorder and MP3 player. It allows users to send, receive, compose and forward emails via SMS. Presently, this service is available on corporate, Gmail and Indiatimes accounts and comes with a three-month free subscription.

The phone also features m-commerce application with N-GPAY, which makes it possible for users to carry out bank transactions and pay utility bills with the help of just a few clicks.

Price: Rs 7999

THIN AND LIGHT NOTEBOOKS

LAUNCHED UNDER THE BRAND NAME 'THINSPIRATION', THE NEW FEATURE-PACKED HP NOTEBOOKS ARE CLAD IN NEW DESIGNS

HP has launched its 'Thinspiration' notebooks in India. The series includes HP Mini by Studio Tord Boontje, HP Pavilion dm1 and dm3, and HP ProBook 5310m.

Features & USP. HP Mini features HP Imprint 3D, which is claimed to be the industry's first three-dimensional PC surface technology. It weighs 1.06 kg and is around 2.5cm thick. It also features a 25.6cm LED display and six-cell lithium-ion battery that delivers up to 8 hours of power.

HP Pavilion dm1 has 29.5cm diagonal LED BrightView widescreen display. It weighs less than 1.5 kg, has low-voltage processors, and gives up to 9.75 hours of battery life.

HP Pavilion dm3 offers Intel C2D processor and has up to 10 hours of battery life. It has a minimum weight of 1.91 kg and 2.5cm thickness. It also
