

HIGH-QUALITY GRAPHIC TABLETS

THE GRAPHIC TABLETS FROM GENIUS ENABLE USERS TO CREATE ARTWORK AND PAINTINGS BY HAND AND INCREASE PRODUCTIVITY WITH ANY PROFESSIONAL PUBLISHING SOFTWARE

Genius, a brand from KYE Systems Corp., has launched its latest range of graphic tablets—EasyPen i405 and MousePen i608.

Features & USP. EasyPen i405 is a small-to-medium size tablet with an active area of 14 cm by 10 cm. It supports Windows and Mac computer systems.

Price:
EasyPen i405: Rs 2550
MousePen i608: Rs 3625

It is a USB model, which makes it convenient for most personal systems.

EasyPen i405 helps the user to touch up digital photos, draw artwork and paintings by hand and even write in own handwriting. One needs to click the pen on any of the 28 programmable shortcut keys for instant access to Office and Internet functions.

MousePen i608 enables users to increase productivity and fun with any professional publishing software. It offers 15 cm x 20 cm working area, which makes it convenient for Windows and MAC users to write, draw, sketch or sign emails.

It comes with a cordless mouse with a scroll wheel, making it more convenient to use. Both the graphic tablets offer 1024 levels of pressure sensitivity.

COMPACT LASER PRINTERS

LEXMARK E260DN AND LEXMARK T650DN ARE MONOCHROME LASER PRINTERS, WHEREAS LEXMARK C540N IS COMPACT COLOUR LASER PRINTER

Cyberstar Infocom has launched Lexmark's monochrome laser printers—Lexmark E260DN, Lexmark T650DN and Lexmark C540N.

Features & USP. E260DN comes with built-in duplexing. It is compact, easy to use and can zip through the print, running as fast as 35 ppm. It supports most of the major operating systems and printer languages.

Lexmark T650DN network-ready monochrome laser meets the requirements of the enterprise business segment with a 500MHz processor and 128MB of standard memory. It gives a print speed of up to 45 ppm. According to the company, the cutting-edge security of T650DN provides an alphanumeric pad for easy PIN authentication, besides encryption and disk wiping to secure the optional hard disk.

Lexmark C540N brings out fine details with 1200x1200 dpi colour and helps keep colour cost in check with the help of Lexmark ColorSaver technology. Lexmark offers a lifetime pricing guarantee on the C540N cartridges.

Price:
Lexmark E260DN: Rs 18,630
Lexmark T650DN: Rs 66,000
Lexmark C540N: Rs 28,318

SLIM JOYBOOKS

PRE-LOADED WITH WINDOWS 7, THE NEW NOTEBOOKS FROM BENQ RUN ON INTEL'S PENTIUM DUAL-CORE ULV PROCESSORS.

BenQ has launched its ultra-low voltage notebook category Joybooks, S35 and S43, weighing 1.5 and 2.1 kg, respectively.

Features & USP. Designed for businessmen and Internet enthusiasts, the notebooks feature Wi-Fi, eSATA data connection and long battery life. They come with HDMI, dGPU (S43 only), 8X super-multi DVD (S43 only), 320GB HDD and LED screens with 16:9 aspect ratios.

Pre-loaded with Windows 7, these notebooks run on Intel's Pentium dual-core SU4100 ULV processors. The BenQ Joybooks S35 and S43 have 33.8cm and

35.6cm display, respectively.

While Joybook S35 uses 8-cell battery having up to 11 hours runtime, Joybook S43 uses 6-cell battery having 5 hours runtime. Both the products are equipped with a webcam, microphone, large-capacity HDD (available up to 500GB), 2-channel TruSurround HD sound system with SRS headphone 360 and integrated speakers.
