

India's leading Open Source event is coming...

OPEN SOURCE INDIA: TECH DAYS

It's happening at...

CHENNAI

It's happening on...

12, 13 & 14 of MARCH 2009

It will be useful for...

SOFTWARE DEVELOPERS AND IT MANAGERS
(And Newbies too!)

And, we seek YOUR help to make it the best in Asia.

Open Source India, earlier known as LinuxAsia, is going to be held at the Chennai Trade Centre from 12th to 14th of March 2009. Being organised in a new city—Chennai, the event hopes to bring in many new developments while maintaining the strengths of the past.

We seek your support to make it the best (and the biggest) open source event in Asia. You can contribute by (a) speaking at the event, (b) joining as a volunteer or (c) just by being there as an attendee.

Shoot us an email at countmein@osiweek.com, and let us know how you can help us in building an Indian Open Source event into Asia's best.
