

ELCINA, India's oldest and largest Electronics Association, has been presenting Awards for Excellence in Electronics since 1976. The objective is to recognize and encourage the best players in this important sector and provide a benchmark for the rest.

Dun & Bradstreet, the world's leading provider of global business information, knowledge and insight, has joined hands with ELCINA as a Knowledge Partner to further enhance the award selection process.

ELCINA - Dun & Bradstreet Awards For Excellence in Electronics Hardware Manufacturing & Services 2008-09

Entries are invited from
Manufacturers of Electronics / IT Hardware
for outstanding achievements in:

- ☐ Research & Development
