NEW COOLPIX CAMERAS

NIKON'S NEW COOLPIX LINE-UP FEATURES TOUCH FOCUS, SMART PORTRAIT SYSTEM AND SCENE AUTO SELECTION

Price:
Rs 7450 to
Rs 25,950

Nikon has come up with eight compact COOLPIX cameras. These cameras include four Style Series cameras, three Life Series cameras and one Performance Series camera. All cameras incorporate Nikon's NIKKOR lenses as well as EXPEED digital image processing concept.

Touch focus feature allows you to touch the subject to set auto-focus and exposure for the shoot. Smart portrait system ensures a bright smile being captured without blinking. Enhanced face-priority auto focus can detect up to twelve faces per image and adjusts brightness on the subject's face to ensure well-balanced exposure of a whole picture. Scene auto selector automatically selects the most appropriate mode according to a picture-taking situation.
