

STERILITE TECHNOLOGIES LTD

Rs 22,929 mn (2008-09)

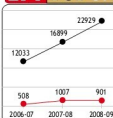

Sterilite Technologies Limited (formerly Sterilite Optical Technologies Ltd) is a global provider of transmission solutions for the telecom and power industries. It is India's only fully integrated optical fibre producer and amongst the top 5 global manufacturers of power conductors. Sterilite's current capacity of 6 million km is under expansion to 12 million km, which would get established in the current fiscal. The enhanced capacity of 20 million km that would be functional by 2011, would require a capex outlay of Rs 250 crores. It recently won a contract from BSNL, valued at Rs 372 crores, for enabling a fibre-to-the-home (FTTH) network based on Gigabit Passive Optical Network (GPON) technology.
