

MIRC ELECTRONICS LTD

Rs 14,492 mn (2008-09)

Mirc Electronics, the manufacturer of the Onida brand of consumer durables, today enjoys a strong equity amongst consumers making it one of the leading brands in India. It offers a wide range of household appliances, including air-conditioners, washing machines, DVDs, plasma and LCD televisions, and home theatre systems. The company is expanding operations this year with new products, widening its manufacturing base, with the support of aggressive marketing. Mirc will introduce a new line for LCDs and DVD players at its Roorkee plant and intends to invest around Rs 60 crore in this facility. Mirc Electronics has two other plants, one in Wada (Maharashtra) and another in Noida.
