SUBEX LTD

Rs 6035 mn (2008-09)

Subex Limited is a global provider of operations and business support systems (BSS/SS) for communications service providers (CSPs). The company pioneered the concept of a Revenue Operations Centre (ROC) - a centralised approach that sustains profitable growth and financial health through coordinated operational control. With mobile operators increasingly becoming cost conscious in the tough economic climate, Subex recently launched TrueSource for Mobile. The company also rebranded its Cost Assurance solution, now called Lucretia, to help CSPs protect and enhance margins by effective cost assurance measures.
