Load Banks

High Voltage
(Non inductive)

Manufacturer of Professional Grade Precision Resistors
Omega Products Pvt. Ltd. is a manufacturer of high precision thick film, thin film and wire wound resistors. With a wealth of intellectual capital and state-of-the-art manufacturing facilities, Omega is synonymous with innovation. Be it Design, Development, manufacturing or Testing we are always ahead of the curve. Our competence and commitment to total quality and efficient customer service is second to none. Omega is called upon when reliability, responsiveness and high performance are critical. We are trusted and respected by an elite clientele which includes the who's who of Defense Avionics Space Applications Telecom, Instrumentation, Computers, Medical, Automobiles and other allied fields.
