

ELECTRONICS FOR YOU DESIGN CONTEST

India's Biggest Electronics Design Awards

The Most 'Open' Design Contest In The World

EFY DESIGN CONTEST 2013: HALL OF FAME

The Electronics For You Design Contest is a contest for electronics engineers and features India's biggest electronics design awards. The contest is also one of the most 'Open Design' contests in the world, as there are no restrictions on the type of technology used or the type of applications developed. The aim is to recognise the world's best talent in electronics design.

The Awards

The awards for the EFY Design Contest 2013 were divided into three broad categories and various sub-categories. The broad categories were:

- 1. Open Innovation Awards** with four sub-categories and three levels—a total of 12 awards
- 2. Special Category Awards** with five sub-categories and two levels—a total of 10 awards
- 3. Next Top 30 Awards**

OIA: Open Innovation Awards, DbP: Design by Professionals, Dbs: Design by Students, SCA: Special Category Awards, m/r/p: Mango/Raspberry Pi, T30D: Top 30 Designs

Categories

OPEN INNOVATION AWARDS

These awards were not bound by any restrictions. Contestants could select any application and any technology for their entries. A total of 12 awards were given, with the first, second and third prize being decided for each category of participants.

Open Innovation Awards

	First Prize	Second Prize	Third Prize
Best Designs By Professionals	₹50,000	₹30,000	₹20,000
Best Designs By Organisations	₹50,000	₹30,000	₹20,000
Best Designs By Academic Institutions	₹25,000	₹15,000	₹10,000
Best Designs By Students	₹25,000	₹15,000	₹10,000

SPECIAL CATEGORY AWARDS

These awards were given for design of a specific application (for example, best rural application design) or a specific technology (for example, best design using Raspberry Pi or Mango Pi). Here, there are two awards in each category—one award is for professionals and organisations, and the other is for academic institutions and students.

Special Category Awards

	Award #1 (Professionals or Organisations)	Award #1 (Academic Institutions or Students)
Best Internet of Things Project	₹20,000	₹10,000
Best Rural Application Project	₹20,000	₹10,000
Best LED Lighting Project	₹20,000	₹10,000
Best Mango Pi/Raspberry Pi Project	₹20,000	₹10,000
Best Open Source Project	₹20,000	₹10,000

NEXT TOP 30 AWARDS

The next best 30 designs were given a special certificate for their design, and a cash award of ₹ 5000 each.
