

: SPECIAL FOCUS :

Electrical, Electronic & Mechanical Equipment

Accelerating Growth of MSMEs

Event Highlights:

- ◆ **2 Days Exhibition**
- ◆ **Buyer Support Programme (One-on-one business meeting)**
- ◆ Great opportunity to bring together suppliers and buyers to find their business partners. Meetings take place by pre-arranged schedule. Buyers are provided with free meeting table.
- ◆ **Vendor Development Programme**

Exhibition Focus :

The event will feature a focused display of :

- **Power transmission & distribution equipment & technology.**
- **Power dispatching system (SCADA/EMS systems)**
- **Industrial automation**
- **Electrical Energy conversion, distribution & storage**
 - Transformers
 - UPS technologies
 - Rectifier/ Converter systems & equipment
 - Power switches, load switches and busbars
 - PCB Manufacturers
- **Testing, measurement & control equipment**
 - Measurement & automation systems for power engineering
 - Remote control systems
- **Power Transmission & conduction**
 - Non insulated conductors
 - Power cables & fittings
 - Cable lying, storage & processing equipment
- **Power electronics**
 - Batteries & switching regulator ICs
 - Electromechanical & mechanical components
- **Building electrical & Building system technology**
 - Fuses, safety switches, earthing materials
 - Meter boards, series installation equipment, distribution systems
 - Cables and lines
 - Engg. Projects Generator
 - Winding Wires
 - Motors
 - Insulator
 - Stamping & lamination
 - Conductors
 - Energy Meters
 - Capacitors & Registers
- **Mechanical Equipments**
 - Centrifugal fans
 - Bulk material handling conveyors
 - Heat exchangers & condensers etc.

Benefits of Participation :

Brainstorming

Present Challenges, opportunities and future roadmap

Disseminating:

Brand building environment, product demonstration

Learning:

Best Practices & latest technologies

Building:

Partnership & networking amongst all stakeholders
