**Inviting the Who's Who
in this business to stay
updated on market trends
by reading LED Bazaar**

LED Bazaar is a B2B publication which started as a 4-page section inside Electronics Bazaar (EB) magazine, and has now become a separate supplement along with EB. Shortly, it is expected to take shape of a separate magazine by itself.

To get a complimentary copy of LED Bazaar, simply register at <http://freeddb.efy.in>
