

GET SET FOR THE 5TH EDITION OF THE EFY EXPO INDIA 2015

The EFY Expo is back! This year we celebrate the success of ESDM industry with a focus on the entire electronics ecosystem

The EFY Group is back again with its flagship platform that promotes the electronics eco-system. The 5th EFY Expo India 2015 aims to bring together the entire electronics industry under one roof, from February 26 - 28, 2015, at Pragati Maidan, New Delhi. The theme for this year's event is 'Celebrating Success of the ESDM Industry in India'.

As in earlier editions, the EFY Expo will exclusively focus on the entire electronics value chain, including components, parts, materials, manufacturing services and equipment.

The Expo is a comprehensive and ideal platform for the electronics industry, where exhibitors comprise innovators, designers, manufacturers and sellers. It attracts visitors across various functional branches and verticals of the electronics industry, including buyers, production managers as well as engineers (from R&D and design) and innovators.

The previous editions of the Expo witnessed the introduction of a number of new initiatives like the Buyer-Seller Meet, the live SMT line, conferences, etc, to promote the industry. The EFY Expo India 2015 too will
