

Audience witnesses the proceedings at the CEO Summit

electronics industry. This is the best platform for all those in the electronics industry to fulfil their sourcing needs.

To get to know the latest trends in the global electronics industry: The Expo attracts participants from countries like Japan, Korea, Taiwan, China, Germany, etc. So this will be the perfect opportunity to find global partners and to discover the latest trends in the global electronics industry.

What's special about the Expo

Here are some of the exciting initiatives planned for EFY Expo India 2015:

ELCINA Buyer-Seller Zone: This is a special platform created for large buyers to meet new vendors and drive their vendor-development initiatives. The buyer-seller meetings will happen over two days: February 26 and 27, and may go to the 28th too. 10 buyers have already confirmed their participation at this meet and we are expecting more to follow, taking this year's total beyond 2014's number of 13 buyers.

Test & Measurement India: India's leading test and measurement equipment providers exhibit at the

Large Buyers Confirmed for Buyer Seller Meet

- Moser Baer India Ltd
- NTL Electronics India Ltd
- Bharat Electronics Limited

- VE Commercial Vehicles Ltd (Volvo-Eicher)

EFY Expo, making it the only dedicated expo for this segment. The T&M Showcase is a new initiative this year, as part of T&M India, to demonstrate the latest T&M equipment to the industry.

The Innovation Zone: This is a special zone at the Expo where innovators and innovations from all across India will be showcased. This is a must-visit for design engineers and senior decision makers at OEM firms to see innovative products that they can manufacture and sell.

Four co-located shows: EFY Expo India 2015 will have four co-located shows at Pragati Maidan, which will dramatically increase footfalls and broaden the profile of visitors the Expo will draw. The events are CoilWound Components Asia 2015, Display Components Asia, PCB Asia 2015 and T&M India.

Other co-located shows

Visitors to EFY Expo India 2015 will be able to visit two other interesting B2B shows too, which will be on during the same dates, at Pragati Maidan. First, those interested or connected with the automotive industry can visit ACMA Automechanika, which will be held at Halls 8 to 11.

The second show is CIT's International Engineering and Technology Fair that is scheduled on the same dates at Pragati Maidan.
