

A keen audience at the Electronics Rocks 2014

Buyers' Speak

“With a successful and fruitful show last year, we are keen to be a part of the upcoming show. We plan to meet some new and emerging component suppliers who offer best in technology and quality. Moreover, we were impressed by the way the event was organised by the EFY Group last year and we again look forward to the best in class arrangements.

— **Yuvaraj A R, AGM- central manufacturing services, Bharat Electronics Ltd**

“With the wide opportunities experienced last year at the EFY Expo, we are excited to be a part of the this show again this year. We look forward to meeting the best of the electronic component industry.

— **Prashant Garhwaliya, engineer-purchasing and global sourcing, Magneti Marelli**

“Last year's event was a great experience for us as we had received many queries and some strong suppliers. This year we are expecting a level above in terms of the meet, the quality of suppliers and technology which will be displayed.

— **Sarabjit Singh, GM, NTL Electronics India Ltd**

“We are looking forward to an event that brings us the best in class electronic component suppliers, as we grow as a company. The aim is to choose some good suppliers on the basis of technology, quality and timely deliveries.

— **Jitender Rana, DGM, global sourcing SSL, Moser Baer India Ltd**

“We met some new and strong vendors at the last year's event and we are keen to experience more relevant component suppliers this year as well.

— **Rakesh Patil, manager – sourcing, Anchor by Panasonic (Anchor Electricals Pvt Ltd)**

Seminars to be held at EFY Expo India 2015

February 26

* LED Lighting Vendor Development Seminar

This will be an informative seminar to create a stronger LED lighting ecosystem for both manufacturers and vendors in the industry, thus facilitating effective and efficient sourcing and purchase processes.

* Automotive Electronics Vendor Development Seminar

This aims to create a stronger automotive electronics ecosystem for both manufacturers and vendors, eventually lead-

ing to effective and efficient sourcing and purchase processes.

February 27

* CEO Summit

This is a platform that will bring together CEOs of the ESDM industry to share their success stories.

February 28

* Test & Measurement Showcase

This event will highlight the best innovations in the T&M space. □
