

DYNALOG
Didactic Solutions
Intelligent Education Solutions

Redefining Technical Education with cutting Edge Technology

In today's fast changing and competitive marketplace the last thing customers want is stress. At Dynalog, we understand that making a great product is merely a start and what is greatly desired is peace of mind. Through excellent support capabilities, reliable products, years of trust and continual value addition we ensure that our customers are never worried.

Dynalog enjoys a strong recall within the educational & training equipment market in India and abroad. Renowned educational institutes including IIT's, NIT's, RIT's, Government & Private Engineering / Diploma colleges, Universities & affiliated science colleges, Research & Development Labs and Training Centres use Dynalog products to train tomorrow's thinkers and doers in diverse fields.

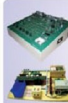

Dynalog Didactic Solutions – the new education focused division of Dynalog Group – will carry this legacy forward with value & technological additions that will enrich the evolving educational ecosystem. Our products span the following technology domains ;

Microprocessor Development Systems
- Dyna-85 / Dyna-85LU
- Dyna-86 / Dyna-86LU
- MF-z80

Embedded Development Systems
- Dyna-S1-EB
- Dyna-PIC-EB
- Dyna-ARM-EB

Control & Instrumentation Systems
- DT-3001-Motor Control
- Dyna-1750
- Dyna-1750 Modular
- Dyna-PLC

Analog & Digital Development Systems
- DT-1001
- DT-1002
- DT-1003 / 1004

Universal Device Programmer
- Labtool-48UXP
- Labtool-848UXP
- Super Pro M

Test & Measuring Instruments
- Digital Oscilloscope
- Function Generator
- Spectrum Analyser
- Power Supply

Embedded Development Systems
- PIC development system
- dsPIC development system
- AVR development system
- ARM development system

Embedded Development Systems
- 8051 development system
- PsOC development system
- Programmer with IDE
- Application Boards

Technology Training Systems
- Autotronics
- Biomedical
- Open Lab Machine Setup
- Electrical Machine

Technology Training Systems
- Electrical Power Engineering
- Smart Grid
- Power Electronics
- Renewable Energy

Test & Measuring Instruments
- Soldering Station
- Digital Multimeter
- LCR & Techo Meter
- Logic Analyzer

Microcontroller Development Systems
- SBC-51 / Dyna-51
- Dyna-51LU/Dyna-51EB
- SBC-196

Dynalog Didactic Solutions Pvt Ltd.

209 / 210, Yashada Industrial Complex, S. No. 50/40-43, Narhe Ambegaon Road Narhe, Pune - 411041.
