

3DING

3Ding is India's first and only multi-brand retailer of 3D printers, scanners, parts and print media. 3D printing is all about giving power of design to the users. Unfortunately, consumers are seldom spoilt for choice when it comes to 3D print hardware and providers don't seem to offer any choice. It's just the one or two models that they stock. 3Ding guarantees that the customers will be spoilt for choice. 3Ding will get customer any 3D printer that they want for as long as it's available somewhere on the planet. 3Ding is a proud subsidiary of Redd Robotics, an electronics startup based out of Chennai, India. So come visit us any time.
