

In electro-chemical solutions, we reign

productronica India

Sept 23-25, 2014 | Bangalore, BIEC

See us at Stand 3193

In the formulation, manufacture and supply of conformal coatings, thermal pastes, encapsulants, cleaners and lubricants, we have the solution. Through collaboration and research, we're developing new, environmentally friendly products for many of the world's best known industrial and domestic manufacturers – always to ISO standards.

Combine this unique ability to offer the complete solution with our global presence and you have a more reliable supply chain and a security of scale that ensures you receive an exemplary service.

Contact Lubricants

Switch to a superior performance

Increase the reliability and lifetime of current carrying metal interfaces, including switches, connectors and busbars with Electrolube specially formulated greases and oils.

- Extends the operating life of switches
- Improves signal quality
- Reduces operating temperature
- Controls switch 'feel'
- Prevents contamination
- Silicone free
