

TEST WITH CONFIDENCE

THE COMPLETE INTERCONNECT SOLUTION

IMPROVE PERFORMANCE WITH OUR 150 AMP CONTACT

Aerospace • Automotive • Commercial • Defense • Medical • Telecommunications

POWERFUL NEW SOLUTION

VPC has developed a new High Power contact that reaches up to 150 Amps to meet your high current applications. Our new High Power solution offers 360° of contact with low insertion force for quick and easy connections.

High Power solutions are available in contacts and patchcords, which can be used in the iCon, i1, and 90 series products.

- » 150 Amps
- » Multiple contact points
- » 10,000 cycle life
