

TI MCU DESIGN DAYS 2014

 **TEXAS INSTRUMENTS**

Join us for TI MCU Design Days 2014

The premier two days of deep technical hands-on training

Texas Instruments India announces the third edition of MCU Design Days (Formerly TI MCU Deep Dive), an in-depth technical hands-on training program that includes modules aimed at meeting the needs of today's embedded control Design Engineers.

MCU Design Days will consist of two days of technical lectures, labs and demos. You will walk away with tools, increased knowledge of TI's MCUs and Wireless Connectivity products and software, as well as the right contacts to help you get your projects off the ground.

Date & Venue Details:

North	18 th & 19 th November. Tuesday & Wednesday	New Delhi	EROS, Nehru Place	First time in Mumbai
South	25 th & 26 th November. Tuesday & Wednesday	Bangalore	The Park Plaza, Marathahalli	
West	9 th & 10 th December. Tuesday & Wednesday	Mumbai	ITC Maratha, Sahara Road, Andheri East
