

browser. This is served by the PHP and is not dynamic. So let us try something dynamic like displaying date and time by giving following command:

```
<?php echo date('Y-m-d H:i:s');
```

Or you can show the PHP info by giving following command:

```
<?php phpinfo();
```

Fig. 9: Welcome screen on WordPress

Fig. 10: WordPress hosted on Raspberry Pi

## Installing MYSQL database management system

Execute the following command to install MSQL (also see Fig. 7):

```
$ sudo apt-get install mysql-server mysql-client php5-mysql
```

Enter the password of your choice for the top-level MSQL user, who will be managing MSQL but is not root user of the Raspberry Pi operating system. Stop and start the apache2 server.

## WordPress download

Download WordPress by running `wget` command on the terminal. You can find the latest version at [wordpress.org/latest.tar.gz](http://wordpress.org/latest.tar.gz) and [wordpress.org/latest.zip](http://wordpress.org/latest.zip)

Download the WordPress to `/var/www/` location. You will have to empty the folder first. Now change the ownership of this folder to the Pi user using following command:

```
$ cd /var/www
$ chown pi:
$ rm *
$ wget http://wordpress.org/latest.tar.gz
tar.gz
```

Or you can download it directly from the link mentioned below:

```
http://wordpress.org/latest.tar.gz
```

Extract the tarball using following command:

```
$ tar xzf wordpress-3.9.1.tar.gz
```

Move the contents of folder to the current directory.

```
$ sudo mv wordpress/*
```

# Spot an Error

## And WIN Award!

You can win one thousand rupees plus a certificate from the editor of Electronics For You magazine if you spot and report any factual error in the latest issue of the magazine. Your report will be published in a coming issue of the magazine, giving credit to you.

Though every care is taken in preparation of the content for the magazine, an error can slip in at times. So we invite our learned readers to point out any error that they spot, for the benefit of the other readers.

### Rules:

- The error has to be reported before end of the month that is mentioned on cover of the magazine
- The report has to be sent in writing or by email addressed to the Editor, EFY Magazine ([editsec@efy.in](mailto:editsec@efy.in))
- The error should be of factual nature, in the information published in the magazine, and not a typographical, grammatical or syntax error
- The correct information should also be provided along with the error spotted by you
- In case more than one person reports the same error, the one whose report reaches us the earliest will get the award money
- In case two or more persons jointly report an error, the award money will be divided amongst them
- EFY employees, their family members and friends, and EFY associates and their family members and friends are not eligible
- Decision of the editor will be final in this matter
