

makes it to the top 100 most trusted Brands of India*

Sparsh makes it to top 100 Brands in India retaining its leadership position. We feel honoured by the recognition. This has been made possible because of the trust shown by our customers in us.

Sparsh, an ISO 9001:2008 company, has revolutionized the security market in India by being India's first firm to focus on indigenous design and manufacture of technologically advanced electronic security devices. Sparsh has been serving customers for over 10 years now, and it is a result of its focus on innovation and quality control that leading multi-nationals prefer working with us. Customers appreciate the advanced security features and customisation Sparsh's products offer and local service that maximizes equipment uptime.

Sparsh's vision is to put India on the global map for designing and manufacturing high quality and technologically advanced electronic security equipment.

Sparsh is all about helping its customers secure and manage their facilities – to enable an environment of confidence. Sparsh is always striving to add new innovative cost effective technologies to improve security for one and all.
