

WWW.SUNROM.COM

Powerline Modem

Transmit serial data of 9600 bps over AC power lines cables for remote control and Sensor readings

Model:1187

Speech Recognition

HM2007 based excellent product

Model:1180

Fingerprint Sensor

Simple to use with AT89S52 Source Code

Model:1125

RF Wireless Serial

Reliable serial transmit/receive at 2.4Ghz

Model:1124/1197/1215

Camera for AVR

For Face Recognition/Object Tracking Projects with AVR microcontrollers

Model:3723 / 3724

Ultrasonic Distance

Many types Serial/PWM/Display option

Model:3719/1166/1127

Heartbeat Sensor

Simple to use with AT89S52 Source Code

Model:1157/1260

Data Logger SD

Logs analog/serial data to Memory Card

Model:1111/1257

Color Sensor

16 million colors, Serial out, PC Software

Model:1185

Microwave Sensor

For Speed and Motion Sensing Applications

Model:1195

Data Acquisition

USB based Simple to use, Low cost

Model:1169/1230

Capacitive Touch

Touch & Proximity Out with LED indication

Model:1167

89 Programmer

USB Programmers, Reliable, Low Cost

Model:1100/1118

AVR ISP Programmer

Works with AVR Studio, USB, Reliable

Model:1138

IR/RF Remote Control

4/8 CH IR and RF Remote Controls

Model:1135/1136

PIC Programmer

USB with ZIF Socket, Easy to use, Reliable

Model:1164/1221

GPS Receivers

Different types TTL/RS232/Active Antenna

Model:1213/1141/1216

ARM NXP Programmer

USB Programmer for NXP's LPC18xx

Model:1191

RS485/RS422 Conv.

Various interface options RS232/USB/TTL

Model:1134 / 1153

USB TO UART

High Speed USB to UART - TTL/RS232

Model:1151/1192/1149

Soil Moisture Probe

Analog + Serial Out, Digital Probe

Model:1282

Development Boards

C51/AVR/PIC Quick Start Boards

Model:1265 / 1264B

LED Matrix Display

32x8 Dots, Serial SPI type, Expandable

Model:1249

AVR Webserver

ATMega32 + ENC28J60 with source code

Model:1160

Logic Analyzer

Model:3770 3,500/-
8 Channels, USB, 24 Mhz sampling

ARM JTAG Debugger

Model:3769
High Speed USB Debugger for ARM MCUs

Load Cell Digitizer

Model:1190 1,200/-
Serial Output for weigh scale applications

Blood Pressure Sen.

Model:3765 3,200/-
Analog Output with Display

Our product range includes various Sensors, GPS, GSM, RFID, Remote Control, Device Programmers, Wireless Data, Bluetooth, Ethernet, DTMF, USB to RS232/RS485 Converter, MP3 Decoder, Load Cell, SMD Adapter, Reflow Oven Controller & Power Control. We offer Quantity Discount: 5+%=5% 10+%=10% 100+%=20% (We sell directly through site not through dealers)

Visit our website **SUNROM.COM** for over 300+ quality products

- ✓ Detailed Datasheet in PDF (Enter Model in Search on SUNROM.COM)
- ✓ High Quality Products with Warranty, Documentation, Sample Code & Support
- ✓ Fast Technical Support & After Sales Service (Free Shipping back for Repairs)
- ✓ Easy Order Placement and Payment Mode online or offline on sunrom.com
- ✓ Order ships within 24 hours by Courier/Speed Post
