

Electronics ForYou expo 2013

Innovate. Design. Manufacture. Source.

February 21 to 23, 2013
Pragati Maidan, New Delhi

AN INDIAN EXPO FOR THE GLOBAL ELECTRONICS INDUSTRY

February 21 to 23, 2013, Halls 7, 8, 9 & 10 • Pragati Maidan, New Delhi

Major Highlights

VIP-Buyer Programme

Are you managing purchase of electronics components and products at a large scale? Would you like to engage in Vendor Development at EFY Expo? If yes, we have a special programme to facilitate your visit and stay to be part of ELCINA-EFY Buyer Seller Meet, being held at the expo. If interested in availing this facility, please send your details to efyexpo@efyindia.com OR call Arun at 08800094213

ELCINA CEO Summit

The summit is attended by leaders who deliberate on 'Creating a Globally Competitive Electronics Manufacturing Industry'. The summit serves as a good platform for the manufacturers to delve on various issues concerning the domestic electronics industry and how to become globally competitive. To register, contact us at efyexpo@efyindia.com or visit efyexpo.com.

EFY Design Engineers' Conference

India's leading embedded systems conference brings electronics experts from all across the globe to address an audience of forward looking electronics design engineers. Latest tools, technologies and best practices in the field of electronics design are discussed here. To register, contact us at efyexpo@efyindia.com or visit efyexpo.com.

Special Attractions

Live SMT Line

First time in India, the Live SMT Line will be a complete SMT production setup, and keeping needs of Indian SMEs in mind, the setup would be for a low to mid volume manufacturing unit.

NSIC Subsidy Upto 95% subsidy

Now available for interested exhibitors

*Members only

Foreign brands from

China, Taiwan, Singapore, Japan, Korea, Germany, US, UK etc... have already confirmed their participation

Visitor Registration is now ON. Please visit: www.efyexpo.com
