Business Ultrabook

With reinforced hinges, a spill-resistant backlit keyboard and protective LCD seal, Dell 6430u is claimed to be the most durable ultrabook on the market today

The Dell Latitude 6430u is a 35.6cm (14-inch) ultrabook that offers the combination of security, manageability and durability in a thin, highly-mobile form factor. According to Dell, the new design is 33 per cent slimmer and 16 per cent lighter than Dell's current 35.6cm Latitude notebook, making it a desirable option for mobile workers.

It allows all-day productivity on a single battery charge—an advantage for road warriors. With reinforced hinges, a spill-re-

sistant backlit keyboard and protective LCD seal, it's hard to damage either the exterior or the interior of this Latitude.
