

MAXIMUM PROTECTION FOR PV SYSTEMS

**CX-SERIES: INDUSTRY BEST
RATING OF 100A, 600VDC IN A
COMPACT 2-POLE CONFIGURATION!**

This innovative, best in class circuit breaker features hydraulic/magnetic over-current sensing technology providing stable performance even in the harshest environments. Its innovative arc quenching design allows the breaker to handle high amperage and DC voltage applications and it has an industry best rating of 100A, 600VDC in a compact 2-pole configuration!

By specifying the CX-Series breaker into your PV system you are guaranteed maximum protection and efficiency for the life of your equipment.
