Airtel brings comedy FM

Airtel subscribers can now enjoy Comedy FM on their mobile. The new value-added service is an IVR service and users can avail this channel at Rs 2/day and 2 paise/sec browsing charges. Comedy FM will bring a slew of comedy offerings that will range from jokes, fillers, standup comedy acts to humorous excerpts from sitcoms. The Comedy FM will offer popular sitcoms clips such as Comedy Circus, FIR, Office-Office, Lapatagunji, Rangeela Raju and more!

freephoo mobile VoIP app now in India

Sweden-based freephoo has launched a free mobile VoIP application in India that enables users to make free calls from their iPhone, iPod touch, iPad and Android phones using the WiFi or 3G network. On downloading freephoo the user can access their existing mobile number and phonebook to make free calls to other freephoo users. Using freephoo premium services, the user can make low-priced calls to both fixed and mobile phones.

India's first online spare parts and repair store

eTechies.in has launched 'Repair-O-Meter' for PC/MAC desktop and laptop repair and service. The instant repair estimator furnishes details relating to the problem and provides solutions instantly. It's a free tool available on the website 24x7. Repair-O-Meter not just describes the type of problem, if asked for assistance, the problem can be fixed both online/remotely and/or by a trained technician visiting the respective home or office.

NAVTEQ real-time traffic service in India

NAVTEQ has introduced Traffic Pro real-time traffic service in India to deliver comprehensive, real-time traffic information to people in Delhi and Mumbai. NAVTEQ Traffic Pro delivers detailed information about traffic speeds on motorways, main and secondary roads to enable estimated arrival times. The service is currently available in 24 countries where it powers a vast array of connected devices including in-car navigation systems, personal navigation devices, mobile phones, smart pads and websites.

Dual-SIM phone

MAXX Mobiles' Maestro MT255 comes with King Movie player app that compresses the actual video size to one-tenth without compromising on audio and video quality

The 8.1cm (3.2-inch) MAXX Mobile Maestro MT255 has a 2-megapixel rear camera with flash, along with a front-facing digital camera.

The dual-SIM full-touch phone in the low-cost handset category has applications like Bolt, Nimbuzz and eBuddy. It comes with a 4GB memory expandable up to 8 GB. Other features include Bluetooth, FM radio, MP4 player and a player with King Movie player app.
