3rd EDITION

Electronics ForYou expo 2013

Innovate. Design. Manufacture. Source.

February 21 to 23, 2013
Pragati Maidan, New Delhi

An Indian Expo For The Global Electronics Industry

To help senior decision-makers take informed decisions about selecting the right electronics manufacturing equipment, EFY Expo will be showcasing a LIVE line of SMT equipment—a first for India. If you are planning to set up a new unit or expand/modernise an existing unit, this is a must-not-miss feature.

Witness Live SMT Production at the exhibition itself
