

AUTOMATION[®]

8TH INTERNATIONAL
EXHIBITION & CONFERENCE

2013

23rd-26th Sept. 2013

NSE, Bombay Exhibition Centre, Mumbai

EXHIBITION FOCUS

- Factory Automation
- Process Automation and Control Systems
- Field Instrumentation and Smart Sensors
- Drives
- Automation in Renewable Energy
- Bus and Wireless Technology
- Building Automation
- Pumps And Valves
- Hydraulics and Pneumatics
- Software Solutions
- Safety & Security Systems and many more...

Industry Focus on:

Automation in Automobiles - Robotics
Automation in Food Processing & Packaging

1000 Companies • 50,000 Business Visitors

Explore New Possibilities...
