

# Technical know-how of Solar Inverters & Chargers

MEDI, established in 1987, pioneers in Analog, Digital, Power Electronics, Microcontroller, DSP and RF designs

## MEDI's RANGE OF SOLAR INVERTER TECHNOLOGIES

\*300VA to 3KVA DSP based sine wave inverter with priority solar charging, cycle by cycle current limiting and short circuit protection, LED, LCD same time-Rs. 1.7 lakhs. BOM of 800VA PCB-Rs.850

\*1KVA to 10KVA DSP based sine wave inverter with static changeover, priority solar charging, no-load shut down & load restart, mains & inverter short circuit protection, RS232 interface-Rs.3.5 lakhs. BOM of 10KVA inverter= Rs.10000 (transformer extra).

\*3KVA to 30KVA three phase sine wave inverter with no-load shut down, load restart, VFD,USB/RS232 interface - Rs.5 lakhs. BOM of 30KVA three phase = Rs.20000 (transformer extra)

**Zero drop solar charger 12V 10A to 96V 80A.** Cost of 24V 10A = Rs.290, 24V 30A = Rs.450, 24V 60A = Rs.600, 96V 10A = Rs.1740, 96V 40A = Rs.2600, 96V 80A = Rs.3400.

**MPPT Solar Charger** technology up to 2KVA and 10KVA with 8-Phase interleaved switching. Efficiency >98%. Data logging with RTC. 4 line LCD. Isolated USB/RS485 interface.

**Medi**

**Solar Charger 24V/30A**

## Dependable E.M.S Source for O.E.M / O.D.M

### Electronics Mfg.....Turnkey or Job-Work.....?

We offer both using world's most reliable brands Viz. Juki, Ekra, Heller, ViTechnology & So on....

#### Products:

- SMD Contract Manufacturing
- Electronics Controls for WASHING MACHINES
- Universal Motor Speed Control Module
- Hoarding Lamp Controller
- Street Light Controller
- Mains Over/Under Voltage Trip Modules

#### Hi-low Voltage Cutout Module

Ideal add-on feature to your existing products

6A @ ₹ 299/-  
16A @ ₹ 329/-

## thuse electronics P. Ltd.

**E.M.S. Division:** Plot No 33 A Sector-7, PCNTDA, MIDC Bhosari Industrial Area, Pune - 411026, Maharashtra, India. Mob: +91 8888-151-151, Tel: +91-20-6733 3444. E-mail: [business@thuse.net](mailto:business@thuse.net)

**Transformer Division:** 1-Shantiban Commercial Complex, Near Eklavya Polytechnic, 52/1, Kothrud, Pune 411038, Maharashtra, India. Mob: +91 80-87997816, Tel: +91-20-2536 1288, E-mail: [business@thuse.net](mailto:business@thuse.net)
