

Try our new FG-20DDS: 20 MHz DDS Function Generator at an unbelievable price

- DDS technique with frequency stability and high resolution
- High speed digital circuit and D/A converter
- 9 function waveform
- High resolution : 0.1 μ Hz, 8 digit display
- PC interface(R232)
- Instrument control via instruction set
- Large screen back light LCD display menu driven
- Frequency sweep FSK, ASK, P5K and burst

Our Other Range Of Products

Basic Electronics

- Discrete Component
- Transistor Application
- Op-Amp • Network And Bridges
- Power Electronics • Linear IC'S
- Digital IC'S • ADC and DAC

Embedded And DSP Trainers

- TMS 320XXX
- EMB-51 • EMB-PIC • EMB-ARM

Microprocessors/Microcontrollers

- MP-65/66 • MC-51 • AMP-88 • AMC-51

VLSI

- CPLD • FPGA • EDA Tools
- Xilinx Software

Controls And Instrumentation

- Temperature • Process • Flow
- PID • PLC • Sensor

Analog Communication

- AM / FM • Modulation/Demodulation
- FDM • Fourier Synthesis • Filters & Noise

Digital Communication

- Sampling • TDM • PCM
- ASK • PSK • FSK • MSK • Delta
- PAM • PPM • PWM • BPSK
- DPSK • GMSK • QPSK • QAM
- DPCM • ADPCM • CRC Encoder
- Convolution • Viterbi

Network And Telephony

- Data Communication • System Bus • ISDN
- LAN • WAN • EPABX • Mobile Handset • GSM
- Telephone • CDMA • Mobile Base Station

Wireless Communication/Antenna/Radar

- RFID • Bluetooth • Zigbee • Antenna • GPS
- Satellite Communication • Doppler Radar
- Pulse Radar

RF And Microwave

- Transmission line • RF Communication
- Microstrip components
- Microwave Benches • Power Meter
- Network Analyzers • Spectrum Analyzers

Fiber Optic

- Plastic Fiber Kits • Glass Fiber Modules
- Fiber Optic Benches • EDFA • DWDM
- Dispersion • Power Meter • Light source
- OTDR • Fusion Splicer

PCB Lab

- Single side PCB • Microwave PCB
- PTH PCB • PCB Assembly Line

Test And Measuring Instruments

- Meters and Testers
- Power Supply
- Function Generators
- Analog And Digital Storage Oscilloscopes
- Spectrum Analyzers
- Vector Network Analyzers
- Scalar Network Analyzers

Optomechanics

- Optical Tables, Posts And Components
- Optical Mounts • Mechanical Stages
- Motorized Stages • Spectroscopy
