

Interactive Whiteboard

The SMART Board 480 offers both finger- and pen-touch functionality to engage students and enhance interactive learning

SMART Technologies' SMART Board 480 interactive whiteboard connects to a computer and projector. Teachers can display and interact with lesson content on the interactive surface from their computer, and control applications and write notes using either their finger or a pen. The whiteboard has a 196cm touch-sensitive screen.

Price: ₹ 63,000

With the 480, hands-on activities for kinesthetic learners can be added, sound can be used to engage auditory learners and students with special needs can be offered more effective ways to manipulate the information.

The 23.2kg whiteboard has a hard-coated steel surface that is optimised for projection.

Full-HD LED Monitor

ASUS' VS247H LED monitor offers a high contrast ratio of 50,000,000:1

ASUS has introduced a 61cm (24-inch) full-HD LED monitor (VS247H) that enhances the display's contrast by adjusting the luminance of the backlight to achieve the darkest black and brightest white. Whether you are sitting up at your desk or leaning back for a more relaxed viewing, SmartView technology adjusts colour parameters to deliver the same image quality and vibrant colours.

The monitor offers 1920×1080 resolution, 50,000,000:1 contrast ratio

Price: ₹ 11,900

and HDMI interface. It has a sturdy stand and slim profile with mercury-free 60cm panel.

Ultra-Portable Projector

The HP Notebook Projection Companion is perfect projection accessory for a notebook PC

Hewlett-Packard's Notebook Projection Companion mini projector easily fits into a notebook-carrying case with dimensions of just 9.1×4.1×11.2 cm³. The projector weighs around two kilograms and is compatible with HP business and consumer notebook PCs and other notebooks with a VGA connection.

The projector features DLP technology, which utilises light more accurately and efficiently to deliver ultra-precise details and

bright saturated colours. The LED light source provides up to 10,000 hours of usage life.
