

RUBYCON OFFERS High quality & Reliable Products for Renewable Energy and Industrial Applications

WIDE RANGE OF PRODUCTS :

- Aluminum Electrolytic Capacitors
- Electric Double-Layer Capacitors
- Power Film Capacitors
- Polymer Multi-Layer Capacitors (PMLCAP)
- Conductive Polymer Aluminum Solid Electrolytic Capacitors (PC-CON)
- Power Supply Units

WIDE RANGE OF APPLICATIONS:

- Inverter, DC/DC converter,
- Battery charger, Body control, Car multimedia, LED lighting for automotive
- Inverter for solar and wind power generation
- LED Drivers, E-Ballast, CFL Lighting
- Switching Mode Power Supplies
- Photoflash Lights & Equipments
