

SIPLACE is Now ASM Assembly Systems

Together #1: SIPLACE & ASM

Since early 2011, SIPLACE has become part of ASM Pacific Technology, the world's largest assembly and packaging equipment supplier for the semiconductor and LED industries, headquartered in Singapore.

SIPLACE is now ASM Assembly Systems, with headquarters in Munich, Germany. The collaboration between SIPLACE as the world's technology leader in SMT industry and ASM Pacific Technology brings you the perfect combination of German Engineering and Asian Efficiency.
