

Model-specific notes

Brother DCP-J715W. An all-in-one inkjet printer. Built-in Wi-Fi and Ethernet. Automatic document feeder. Slow printing of text. Has tray for holding 4x6 photo paper.

Brother MFC-5890CN. A wide-format all-in-one inkjet printer. Can print up to A3-size paper, but scan, copy and fax are only up to A4-size. Built-in Ethernet and fax. Automatic document feeder.

Canon iP4850. A regular inkjet printer. No memory card slots or LCD viewer, but has PictBridge. Can print on both sides of a paper automatically, but print quality is inferior. Can print labels directly on CDs or DVDs.

Canon PIXMA 9000 Mark II. A wide-format inkjet printer. Primarily a photo printer, it holds eight ink cartridges. No memory card slots or LCD viewer, but has PictBridge. Slow printing of text. Can print labels directly on CDs or DVDs.

Canon PIXMA iX4000. A wide-format inkjet printer. No memory card slots or LCD viewer, but has PictBridge.

Epson BX525WD. An all-in-one inkjet printer. No PictBridge. Built-in Wi-Fi and Ethernet. Fast printing of black text but slows down when colour is added.

Epson BX625FWD. An all-in-one inkjet printer. Built-in Wi-Fi, Ethernet and Fax. Fast printing of black text but slows down when colour is added. Automatic document feeder. Paper tray can hold 250 sheets.

Epson Stylus PX820FWD. An all-in-one inkjet printer. Built-in Wi-Fi, Ethernet and fax. Automatic document feeder. Has tray for holding 4x6 photo paper. Can print labels directly on CDs or DVDs.

Epson PX660. An all-in-one inkjet printer. Can print labels directly on CDs or DVDs.

Epson Stylus Photo R2880. A wide-format inkjet printer. Primarily a photo printer, it holds eight ink cartridges. It comes with a roll paper holder and an art paper tray. No memory card slots or LCD viewer, but has PictBridge. Can print labels directly on CDs or DVDs. It did not do well in non-photo tests. It produced inferior text and DTP.

Epson Stylus Photo 1400. A wide-format inkjet printer. No memory card slots or LCD viewer, but has PictBridge. Slow text printing. Can print labels directly on CDs or DVDs.

HP Officejet 6500A Plus e-AIO E710. An all-in-one inkjet printer. Built-in Wi-Fi, Ethernet and fax. No PictBridge. Automatic document feeder. Paper tray can hold 250 sheets. Can print on both sides of a paper automatically. Printer connects directly to the Internet.

HP Photo smart e-AIO B010a. An all-in-one inkjet printer. No memory card slots or PictBridge.

HP Officejet Pro 8500A Plus e-AIO A910. An all-in-one inkjet printer. Built-in Wi-Fi, Ethernet and fax. Automatic document feeder. Fast text printing. Paper tray can hold 250 sheets. Can print on both sides of a paper automatically. Printer connects directly to the Internet.

HP Envoy 100 e-All-in-One D410a. Very sleek, minimalist design, with motorised retracting paper tray and control panel. Smallest all-in-one inkjet printer that the lab has ever tested. No PictBridge. Built-in Wi-Fi. Printer connects directly to the Internet.

HP Officejet 7500A wide-format e-AIO E910a. A wide-format all-in-one inkjet printer. Can print up to A3+, and scan and copy up to A3-size paper. No PictBridge. Built-in Wi-Fi, Ethernet and fax. Automatic document feeder. Printer connects directly to the Internet.

Brother MFC-9970CDW. A very large all-in-one colour laser printer. Its size and weight make it more suitable for a small office than a home. No memory card slots or PictBridge. Built-in Wi-Fi, Ethernet and fax. Fast text printing. Paper tray can hold 300 sheets. Automatic document feeder. Power switch is on the side. Very large, tall and heavy, not meant for typical home use.

Dell 2155cn. An all-in-one colour laser printer. No memory card slots or PictBridge. Fast text printing. Built-in Ethernet and Fax. Paper tray can hold 250 sheets. Automatic document feeder. Power switch is on the side. Very large, tall and heavy, not meant for typical home use.

Dell 1355cn. An all-in-one colour laser printer. No memory card slots or PictBridge. Fast text printing. Built-in Wi-Fi, Ethernet and fax. Automatic document feeder. Power switch is on the side.

Epson Work Force 60. A regular inkjet printer. No memory card slots, LCD viewer or PictBridge. Black text printing is fast but slows down when colour is added. Built-in Wi-Fi and Ethernet. Paper tray can hold 250 sheets.

Epson Work Force 840. An all-in-one inkjet printer. Fast text printing. Built-in Wi-Fi, Ethernet and fax. Two paper trays, each of which can hold 250 sheets. Automatic document feeder.

HP LaserJet Pro CP1025nw. A regular colour laser printer, quite small for the category. No memory card slots, LCD viewer or PictBridge. Black text printing is fast but slows down considerably when colour is added. Built-in Wi-Fi and Ethernet.

Brother MFC-J220. An all-in-one inkjet printer. No PictBridge. Built-in fax. Slow text printing.

Canon Pixma Pro9000 Mark II printer

started at the scanner and the desired PC selected from the printer's menu to receive the scan.

Internet connectivity. A feature set in some all-in-one printers, as an adjunct to networking, provides the ability to access the Internet directly, without connecting through a computer. Applets that are either included or downloaded, have functions such as map creation, recipe printing and photo uploading.
