Agilent 6000 Count True RMS Digital Multimeters

Model	Price (INR)
U1231A	6,379.00
U1232A	8,683.00
U1233A	10,594.00

Features

- IR-USB PC Interface for Data logging
- Built in LED Flash Light to illuminate test area
- Voltage for non contact voltage detection
- Temperature Measurement

Agilent 10000 Count True RMS Digital Multimeters

Model	Price (INR)
U1241B	12,767.00
U1242B	14,044.00

Features

- Switch/Relay counter for glitch detection
- Harmonic rate measurement in AC supplies
- Dual & Differential temperature measurement
- Dual display & data logging facility

Agilent 30000 Count True RMS Digital Multimeters

Model	Price (INR)
U1271A	20,779.00
U1272A	22,626.00
U1273A	24,156.00

Features

- Water & dust resistant (IP54), industrial grade
- Low impedance, low pass filter, offset comp.
- PC connectivity & internal memory for logging
- Wide AC Voltage 5 V up to 100 kHz

Agilent 50000 Count True RMS Digital Multimeters

Model	Price (INR)
U1251B	24,580.00
U1252B	26,381.00
U1253B	28,947.00

Features

- High resolution / accuracy upto 0.02%
- Built in square wave generator & true counter
- Wide AC Voltage 5 V up to 100 kHz
- Rechargeable battery with power adapter

Agilent 6000 Count Clamp Meters

Model	Price (INR)
U1191A	6,302.00
U1192A	8,716.00
U1193A	10,929.00
U1194A	14,013.00

Features

- Multiple wire separator
- Voltage (non-contact voltage detection)
- Built in LED flashlight
- Capacitance, frequency, temp etc.

Agilent 4000 Count True RMS Clamp Meters

Model	Price (INR)
U1211A	16,086.00
U1212A	21,234.00
U1213A	22,521.00

Features

- Large clamp opening of 52mm
- High Resolution as low as 0.01A
- Peak hold capability
- Measurement upto 1000 A for AC, DC or AC+DC

Agilent 20000 Count Handheld LCR Meters

Model	Price (INR)
U1701B	9,293.00
U1731C	17,063.00
U1732C	20,623.00
U1733C	23,569.00

Features

- Wide test frequency range up to 1000kHz
- Detailed component analysis with sorter
- IR-USB PC connectivity
- SMD Component measurement facility

Agilent 20 MHz/40 MHz Portable Oscilloscopes

Model	Price (INR)
U1602B	89,425.00
U1604B	1,11,667.00

Features

- Three in one (Scope, DMM & Data Logger)
- Deep Memory & high sampling rate
- USB Flash drive for data storage
- Automatic measurements with advanced FFT

Agilent 100 MHz/200 MHz Portable Oscilloscopes

Model	Price (INR)
U1610A	21,8520.00
U1620A	23,9667.00

Features

- World's first Handheld Oscilloscope with VGA display
- Indoor, outdoor and night vision viewing modes
- Isolated channels with CAT II 600 V
- Deep memory with high sampling rate
