

Introducing

Polypropylene DC Link Capacitors

- Voltage rating 550 VDC to 1800 VDC
- Capacitance range 120 MFD to 1200 MFD
- Operating temperature -55°C to +105°C
- Ripple current up to 150 Amps
- Self-inductance as low as 11 nH
- ESR as low as 0.5 mΩ
- High thermal conductivity
- UL 94V0 and ROHS compliant
- Long life expectancy 1,00,000 Hrs.
- Custom designed capacitors available
