NAVTEQ map for Nikon's COOLPIX digital cameras

NAVTEQ is supplying map and location content for Nikon's COOLPIX AW series of compact digital cameras featuring AW100—Nikon's first compact digital camera with waterproof, shock-proof and cold-resistant specifications. The device is also equipped with GPS support, electronic compass and a map display. GPS functionality allows geo-tagged images to be pinpointed via point-of-interest data supplied with the NAVTEQ map.

Yovite.com: free online invitation tool

Kochi-based Leap Software Solutions is offering a free online invitation tool—Yovite.com—that will help Indian users in managing online invitations for weddings, birthdays and other occasions. It allows consumers and businesses to use customised design templates to create, send and manage responses to online invitations. Users can log in to their Facebook account, send SMS to guests and import contacts from e-mail accounts. It also offers features to manage RSVPs of all the guests.

Art of Living on Airtel mobile

Bharti Airtel has launched 'Art of Living' content for Airtel mobile customers across India. Customers will be able to dial 507858 and subscribe to 'Art of Living' sessions by Shri Shri Ravi Shankar—including meditation classes, preachings of art of living, *satsangs*, live talks, *bhajans* and chants for Rs 3 per day.
