

BOOKS

NEW
USB
Complete 4/e

Jan Axelsson
Price: ₹450/-

Power Electronics: Devices, Circuits & MATLAB Simulations

Alok Jain
Price: ₹315/-

Power Electronics & Its Applications 2/e

Alok Jain
Price: ₹240/-

Programmable Logic Controllers & Industrial Automation An Introduction

M. Mitra, S. Gupta
Price: ₹225/-

Fundamentals of Microcontrollers and Applications in Embedded Systems

Ramesh Gaonkar
Price: ₹300/-

Lightwave Communication Systems

Rajappa Pappanareddy
Price: ₹225/-

Elements of Artificial Neural Networks 2/e

K. Mehrotra, C. Mohan, S. Ranka
Price: ₹320/-

Parallel Port Complete

Jan Axelsson
Price: ₹595/-

45% Discount off stock lists

Serial Port Complete

Jan Axelsson
Price: ₹730/-

The Microcontroller Idea Book

Jan Axelsson
Price: ₹240/-

Embedded Ethernet & Internet Complete

Jan Axelsson
Price: ₹390/-

Illustrated Programming with C++

Dilip Mall, Pramod Vasankar
Price: ₹210/-

3 Servo Hexabot

Features

- Made from laser-cut acrylic structural components
- Controlled through P89V51RD2-based USB programmable development board
- Can also be controlled via wireless infrared remote

(From Robosoft Systems)

Price: ₹ 4200

Fire Bird XI Robotic Research Platform

(From NEX Robotics)

Features

- 16 ultrasonic range sensors with a range of six metres covering the robot from all sides
- 28 infrared proximity sensors and six line sensors
- Powered by four hot-swappable, high-discharge, 11.1V, 6000mAh lithium polymer battery packs.
- WiFi, Bluetooth and ZigBee wireless communication

Price: ₹ 250,000

Multifunctional Mobile Robot

(From Technido)

Features

- ARM 9 development board with 8.9cm (3.5-inch) coloured touch screen
- Supports Windows CE 5 and 6, Linux 2.6 and Android operating system

Price: ₹ 38,000

Lego Mindstorms NXT with Tetrix building system

(From Technetronics Education)

Features

- Gyro, temperature, motion, compass, IR seeker and several other sensors available as option
- Third-party IFC-compliant sensors can be used
- TETRIS is an aluminium robotics building system that can be used independently or together with Lego Mindstorms NXT

Price: Tetrix - ₹ 84,000
Lego Mindstorms - ₹ 24,000
