### Powerline Modem

Transmit serial data of 9600 bps over AC power lines cables for remote control and sensor readings

2,500/-

Model:1187

### Speech Recognition

HM2007 based excellent product

6,000/-

Model:1180

### Fingerprint Sensor

Simple to use with AT89S52 Source Code

5,000/-

Model:1125

### RF Wireless Serial

Reliable serial transmit/receive at 2.4GHz

from 600/-

Model:1124/1197/1215

### Data Logger SD

Logs analog/serial data to Memory Card

1,500/-

Model:1111/1257

### Ultrasonic Distance

Many types Serial/PWM/Display option

from 950/-

Model:3719/1166/1127

### Heartbeat Sensor

Simple to use with AT89S52 Source Code

1,450/-

Model:1157/1260

### ECG Sensor

Analog + Pulse Output for MCU or PC Interfacing with demo source code

1,650/-

Model:1181

NEW

### Color Sensor

16 million colors, Serial out, PC Software

550/-

Model:1185

### PIC Programmer

USB with ZIF Socket, Easy to use, Reliable

from 1,600/-

Model:1164/1221

### Data Acquisition

USB based Simple to use, Low cost

from 850/-

Model:1169/1230

### Touch Screen

Resistive Touch Screen with Serial Output

1,200/-

Model:1255/1256/1167

NEW

### 89 Programmer

USB Programmers, Reliable, Low Cost

from 750/-

Model:1100/1118

### AVR ISP Programmer

Works with AVR Studio, USB, Reliable

from 650/-

Model:1138/1203/1109

### IR/RF Remote Control

4x8 CH IR and RF Remote Controls

from 750/-

Model:1135/1136

### Wireless Alarms

PIR Motion, Door Break, Remote Keys

from 500/-

Model:3779/3780/3778

NEW

### GPS Receivers

Different types TTUR232/Active Antenna

from 2,800/-

Model:1213/1141/1216

### AVR Webserver

ATMega32 + ENC28J60 with source code

3,500/-

Model:1160

### RS485/RS422 Conv.

Various interface options RS232/USB/RTL

from 550/-

Model:1134 / 1153

### OLED Display

128x64 High Contrast, Day view, Low Power

900/-

Model:1258/1259

NEW

### Soil Moisture Probe

Analog + Serial Out, Digital Probe

1,600/-

Model:1282

### Development Boards

C51/AVR/PIC Quick Start Boards

from 1,200/-

Model:1265 / 1264B

### LED Matrix Display

48x8 Dots, Serial UART input

1,750/-

Model:1113

### Serial to Ethernet

Access for serial UART on PC through LAN

2,500/-

Model:1254

NEW

### WAV Audio Player

Model:1200 1,500/-

CD Quality playback from SD Memory Card

### Microchip PICKIT3

Model:3773 3,800/-

Original Programmer/Debugger for PICs

### Load Cell Digitizer

Model:1190 1,200/-

Serial Output for weigh scale applications

### Blood Pressure Sen.

Model:3765 3,200/-

Analog Output with Display

Our product range includes various Sensors, GPS, GSM, RFID, Remote Control, Device Programmers, Wireless Data, Bluetooth, Ethernet, DTMF, USB to RS232/RS485 Converter, MP3 Decoder, Load Cell, SMD Adapter, Reflow Oven Controller & Power Control. We offer Quantity Discount: 5+ = 5% 10+ = 10% 100+ = 20% (We sell directly through site not through dealers)
