Complete LV, MV, HV, EHV, UHV Solutions

- Multimeters • Clamp Meters • Leakage Clamp Meter • Insulation Testers • Low Resistance Meters • Earth Testers • High Voltage Detectors • Primary Injection Test Kit • Relay Test Kit • Oil Test Set • Tan Delta Test Set • HV Test Set • Contact Resistance Meter
- Impulse Voltage testing • Impulse Current testing • Alternating Voltage testing • C & tan delta (Power Factor) measurement
- High-Voltage Construction kit • Instrument Transformer measurement • Partial discharge & Radio Interference Voltage measurement
